

For generations, the Republican party has held the reins in Concord—and they're in full control today.

GOP Report Card

NEW HAMPSHIRE'S REPUBLICAN MAJORITY

- LOCAL CONTROL:** Remove local control at every chance they get
- HEALTHCARE:** Skyrocketing costs, fewer benefits, leaving families behind
- HOUSING:** Families are priced out and struggling to find affordable homes
- PROPERTY TAXES:** Out of control & squeezing budgets for all homeowners
- PUBLIC SCHOOLS:** Underfunded by the state, forcing local taxes higher and shifting blame

They've had every chance to help. Instead, they chose corporate tax cuts—again and again—and *your* family foots the bill.

Real leaders deliver results for working families. Bedford deserves Representatives who fight for our families—not just big corporations.

We can support our communities *AND* manage our finances responsibly. It's not one or the other, it's both.

Meet your Democratic STATE REP CANDIDATES

We elect seven (7) State Representatives for Bedford. Please vote for all seven!

CATHERINE ROMBEAU

CatherineRombeauNH.com

- Current State Representative, elected in 2021
- Former Bedford Town Councilor and current Alternate Trustee of Bedford Public Library
- Practicing attorney for over 20 years and parent of two daughters in Bedford Schools

As your representative, I will keep fighting for local control over budgets and development, for lower property taxes, and for healthcare access we can afford. I believe in Bedford.

- US Navy veteran
- Twenty-seven year career as an FAA Air Traffic Controller
- Twenty-five year union activist
- Delivered humanitarian aid in Ukraine
- Certified Arbitration Advocate
- Served on the boards of Bedford Little League and Villa Augustina School

I'm running to help solve the housing crisis, fight for lower property taxes, retain local control of school budgets and curricula, and to protect our democratic institutions.

TODD FAHEY

ToddFaheyforNH.com

- Decades of experience as a trusted and respected business lawyer and leader in two of New Hampshire's finest law firms
- Coach, local land use board (ZBA) officer, Trustee for Catholic Charities NH
- Appointed by bipartisan Governors to serve on statewide boards focused on prescription drug costs, crime victims, and workforce issues

I know I can bring smart and innovative solutions, business savvy, and experience to give Bedford confidence and trust in their representation in Concord.

GEOFF WELLINGTON

WellingtonForBedford.com @WellingtonForBedford

- From Bedford—Focused on giving NH families the great education, experience & opportunities that I received growing up here
- For Bedford—Dad, Husband, Coach, Volunteer, Taxpayer; Our Representatives should answer to reflect Bedford's values, not party politics, special interests, or personal egos
- Professional—Finance, accounting, auditing professional. Committed to bringing responsible spending, accountability, and transparency home

The best investments we can make in Bedford's future is in the education of our kids and the example we set. Full stop.

RYAN NUGENT

NugentNH.com

- Air Force Veteran with 25 years of military service
- NH native, proud father of three Bedford public school students
- Active volunteer with Bedford's veterans groups and schools

Bedford deserves representatives who defend our schools, trust local voters, and fight for affordable housing, not ones who impose outside agendas on NH.

JEFF KERR

JeffKerrNH.com

- 40+ years as an electrical design engineer, designing chips for everything from fighter jets to cell phones
- Former Chair of Bedford Energy Commission and member of the Charter Commission
- Bases decisions on facts and science, not ideology
- Works with people from all over the world and values all input when working to solve problems

I'm running because there is massive dysfunction in the State House. The current majority ignores testimony and votes how they're told how to vote. I believe we need to listen to our constituents instead.

SHEILA QUICK

- Bedford resident since 2012
- 23 year career in NH public education
- Avid volunteer in school, community, and church organizations

I support local control of public schools in terms of budgets, open enrollment, and curriculum/instruction.
